

d.pole aka pavel (钒乐)

USSR-born DJ, sound producer and event organizer Pavel_Sun has 15-years experience of Event Management and Marketing work.

His musical career Pavel began in 1991 with first attempts in arrangement and creation of electronic music. In 1993 he started to create DJ mixes. From 1995 he got his first experience in making parties and DJ performing in St. Petersburg and later in 1996 Pavel Sun (aka d.pole) began to play in Siberian clubs.

From 1996 he has established to organize events and concerts for clubs and big festivals in Eastern Russian regions. His DJ sets geography includes: Russia, Kazakhstan, Georgia; Spain – Barcelona, Tarragona, Madrid, Naval Moral, Maspalomas (Grand Canary), Valencia; Norway – Tromsø, Harstad; Finland –

Helsinki; in China – Beijing, Shanghai, Guangzhou, Shenyang, Guiyang, Chengdu.

Pavel works in different music styles but mostly it's progressive, house, tech, deep, ghetto/bass and minimal. He's distinguished with feeling of audience, and also deep understanding of a rhythm, styles, pressure and harmonious development of dj-set. Pavel Sun is in progress of producing, his tracks "Mince (search mode)" and "Invasion", has got a lot of positive responses from famous artists like Moussa Clarke, Rob Wilder, Greg Kobe, Haris Custovic, James Talk, Robert Babicz. d.pole's production and remixes are always trendy on international record scene. Also Pavel running a record label "Dirty Players Asia" in collaboration with his close friend Eric Entrena www.ericentrena.com.

His own project PARTYHUNTER (events and booking agency) has a big success, transformed into the new brand "I Love Dian (Electricity)" [我爱电] for Chinese market, including Event Creation and Management, Artist Management and Bookings, Graphic Design, Photography and Promotion. Same time, Pavel always has loads of brilliant ideas for big festivals and cultural events like AERODANCE, KAZANTIP, SUN VIBES, ELEMENTS, SHIRA DANCE, PIRATE STATION, AERODROME in Russia, INVASION in Kazakhstan, SUNRISE party in China.

Nowadays he based in Beijing, China, working on his projects with local promoters. ZhenSound [真 SOUND] was the first successful event project developed for local market. WoAiDian (iLoveDian / 我爱电) project is a new network of music professionals and music lovers, artists, designers, photographers, promoters, digital fans and everyone who's active and interested in everything connected to the electric charge. d.pole is one of the first original Asian DJs, who's bringing his own vision for modern music culture in Eastern Hemisphere. Every weekend he's bringing new sounds to Beijing' audience, same time organizing events and international artist bookings in Russia, Kazakhstan and China.
