

AIR-T - Evgeniy Loktev

AIR-T is a resident of many **European, Russian, American Labels** and the Ukrainian Dance Radio Station **KISS FM** where he, together with the Belarussian musician **Ivan Kosmachevskiy** own a radio show called **2LOUD**.

His journey started in 2004 when he played in **Belarus, Poland and Ukraine** and many other clubs.

In 2008 he began producing music and his first project was a remix for **UCast - Anubis** which saw major support by many musicians around the world..

Two years later more tracks are out charting in Beatport & Juno and more support seen from highly profiled DJ's such as **Tiësto, Aly & Fila, Solarstone, Roger Shah, John Askew, Airbase, Mr.SAM, Mark Pledger, Darude, Daniel Kandi** and many others.

At the end of 2009 **AIR-T and Satellite** join forces and produce side by side creating light, atmospheric Trance music. Their first track together, **Azure Coast**, hit No62/300 in 2009's best chart the best tracks in 2009 by Ukraine's **Kiss FM**.
