Awards and achievements

2005 - Best guitarist by version EMT (Russia) for the track "Magic Fly"

2008 - "Breakthrough of the Year" (KISS FM)

2009 - "Hit Maker of the Year" (KISS FM)

2011 - "Best Producer of Ukraine" (Showbiza.net)

2011 - "Best Mastering Engineer" (Promodj.com)

2013 – Organizer of the 1st CIS large scale contest for sound producers "Wanted Mixing Geniuses"

SYNSUN

Outside the CIS Andrei Vakhnenko became famous due to iconic project SynSUN which in 2001 entered top 10 European trance projects (by contest results of the label Inpsyde Media, Italy). For the last 10 years SynSUN grew into an international giant trance music. In its albums you can find official remixes from / to Skazi, Yahel, Bliss, Talamasca, Eskimo, System Nipel, The Misted Muppet, Wizzy Noise, Michele Adamson, VIbe Tribe. <http://synsun.info/>

www.ANDIVAXMASTERING.com

Having discovered his "formula of sound" and revealed the mixing secrets in 2009 ANDI VAX founded his own studio and launched an online service for mixing and mastering www.ANDIVAXMASTERING.com. Over the past 4 years more than 300 tracks were produced, many of which became hits on popular radio stations. Number of artists collaborating with www.ANDIVAXMASTERING.com is constantly growing - Ron May, DJ Boyko, Palyur, Jan Sax, DVJ Electra and many other names who blew Beatport TOP charts. High standards of sound producing and modern trends were also successfully applied in Ukrainian pop compositions of Anna Sedokova, Tamerlan and Alena Omargalieva, Dima Kadnay, Zebra and many other popular artists.
