# **WILL HOLLAND FEAT. JEZA - EVERY HEARTBEAT II**

**(BEAT SERVICE'S DIGITALLY ENHANCED INTRO REMIX)**

**WHEN EVERYTHING UNDER THE SUN  
IS BLINDINGLY CLEAR  
AND ALL THAT WE HAVE BECOME  
MAY SOMEDAY DISAPPEAR  
WHEN I AM SHAKEN  
AND I HAVE LOST MY PLACE  
DON'T TELL ME I'M MISTAKEN  
LOST IN FADING DAYS**

**WITH EVERY HEARTBEAT  
KEEPING TRACK  
OF ALL THE THINGS WE CAN'T TAKE BACK  
OH I HAVE TRIED, OH I HAVE TRIED  
CLEAR THE AIR  
UNDER NEW SKIES  
FOR YOU I'LL TRY  
A THOUSAND TIMES**

**WHEN EVERYTHING IS SAID AND DONE  
WE'LL HOLD EACH OTHER NEAR  
AND WE CAN TRY TO OUTFIGHT  
THIS LOVE ANOTHER YEAR  
BUT WE'LL AWAKEN  
AND WE WILL FIND A WAY  
OUR HEARTS WON'T BE FORSAKEN  
LEFT IN FADING DAYS**

# OCEANLAB FEAT. JUSTINE SUISSA - BREAKING TIES

(MARTIN ROTH VS MAOR LEVI REMIX)

WHEN EVERYTHING UNDER THE SUN  
Is blindingly clear  
And all that we have become  
May someday disappear  
When I am shaken  
And I have lost my place  
DON'T TELL ME I'M MISTAKEN  
Lost in fading days

With every heartbeat  
Keeping track  
Of all the things we can't take back  
Oh I have tried, oh I have tried  
Clear the air  
Under new skies  
For you I'll try  
A thousand times

When everything is said and done  
We'll hold each other near  
And we can try to outrun  
This love another year  
But we'll awaken  
And we will find a way  
Our hearts won't be forsaken  
Left in fading days

# MEDINA - YOU AND I

(DASH BERLIN REMIX)

Nothing left for me to say  
There's no more wicked games to play  
It's time for me to walk away  
I am alright

I feel like I'm on a high  
A new beginning that is my life  
I'm turning to the rhythm of the night  
I am alright

The music is making me growing  
The only thing that keeps me awake is me knowing  
There's no one here to break me or bring me down  
And no one here to hurt me or fool around

I have no more time for you to hurt my feelings  
Done enough to prove I'm all that I believe in  
We are at the end no more stupid lies  
I'm better off without you here by my side

So no there is no longer you and I - you and I  
You and I - you and I  
You and I - you and I  
You and I

There is no longer you and I - you and I  
You and I - you and I  
You and I - you and I  
You and I

ANDREW BENNETT VS JOSE AMNESIA FEAT. KAREN OVERTON  
YOUR LOVING ARMS (ANDREW WONDERFULL MIX)

SOMETIMES THE WAY THAT YOU ACT MAKES ME WONDER  
WHAT I AM TO YOU

SOMETIMES I CAN'T STAND THE WAY THAT I'M ACTING  
TO BE PART OF THE THINGS YOU DO

OFTEN I'VE ASKED YOU FOR TOO MUCH OF YOUR TIME  
LIKE I'M STEALING

AND WHEN I DREAM OF THE FEAR THAT YOU'RE LEAVING  
I REACH OUT

Oh baby then you

PUT YOUR LOVING ARMS AROUND ME  
AND YOU WHISPER TO ME WHEN YOU  
PUT YOUR LOVING ARMS AROUND ME  
AND INSIDE YOUR ARMS I'M BURNING  
PUT YOUR LOVING ARMS AROUND ME  
AND YOU WHISPER TO ME WHEN YOU  
AND INSIDE YOUR ARMS I'M BURNING

SO MANY TIMES HAVE I ASKED YOU TO TELL ME  
THAT I'M YOUR GIRL

TIME AFTER TIME I HAVE NEEDED A REASON  
JUST TO GET INSIDE YOUR WORLD

SO MANY TIMES HAVE I ASKED YOU TO ASK ME  
HOW IT FEELS TO LOVE

AND WHEN THIS LOVE SEEMS THE ONLY CONCLUSION  
THAT I'M GUILTY OF  
Oh baby then you

# JAMES HORNER - I SEE YOU

(COSMIC GATE REMIX)

I SEE YOU

I SEE YOU

Walking through a dream

I SEE YOU

My light in darkness breathing hope of new life

Now I live through you and you through me

Enchanting

I pray in my heart that this dream never ends

I see me through your eyes

Living through life flying high

Your life shines the way into paradise

So I offer my life as a sacrifice

I live through your love

You teach me how to see

EVERMORE

(I see me through your eyes)

I see me through your eyes

(Living through life flying high)

Flying high

Your love shines the way into paradise

So I offer my life as a sacrifice

And live through your love

And live through your life

I SEE YOU

I SEE YOU

**EGORYTHM & MARSBEING VS ANGE —**

ARMIN VAN BUUREN FEAT. TREVOR GUTHRIE —

# THIS IS WHAT IT FEELS LIKE

(GIUSEPPE OTTAVIANI REMIX)

This is what it feels like

Nobody here, knocking at my door  
The sound of silence, I can't take anymore  
Nobody ringing my telephone now  
Oh, how I miss such a beautiful sound

And I don't even know how I survive  
I won't make it to the show without your light  
No, I don't even know if I'm alive  
Oh, without you now, this is what it feels like

Nothing to hold but the memories and frames  
Oh, they remind me of the battle I face  
Without your love, without you I drown  
Somebody save me, I'm going down

And I don't even know how I survive  
I won't make it to the show without your light  
No, I don't even know if I'm alive  
Oh, without you now, this is what it feels like

And I don't even know how I survive  
I won't make down the road with one headlight  
No, I don't even know if I'm alive  
Oh, without you now, this is what it feels like

# TYDI FEAT. SARAH HOWELLS - ACTING CRAZY

(TOMAS HEREDIA AT SUNRISE MIX)

A woman's silhouette is shown in profile, looking towards the right. The background is a vibrant, fiery orange and red, with flames and smoke. The text is overlaid on the image in a white, sans-serif font.

Watching all the constellations form over head  
Through the trees full moon rises and lights my bed  
And I'm awake and up on my feet  
Got to be near you I'm running barefoot down the street  
You've got me acting crazy and I wanna dance  
Caught in the moment come on, let's take a chance  
You've got me acting crazy and I wanna dance  
Am I crazy, am I crazy?  
Rain is running down the window  
Of this cafe  
Outside you check your reflection  
Then walk away  
And now my heart beats racing inside  
Got to get near you, you're running circles 'round my mind  
You've got me acting crazy and I wanna dance  
Caught in the moment come on, let's take a chance  
You've got me acting crazy and I wanna dance  
Am I crazy, am I crazy?  
It's not like me to go all weak at the knees  
To lose my mind whenever you appear  
But I can't think straight or hide  
My crazy side  
Get drunk on this desire  
You've got me acting crazy and I wanna dance  
Caught in the moment come on, let's take a chance  
You've got me acting crazy and I wanna dance  
Am I crazy, am I crazy?

CONRAD WINGED & ASCANIA VS BLIZZARD & DANIEL  
VAN SAND FEAT. JULIE THOMPSON –  
MADE FOR YOU MONA LISA  
(ANDREW WONDERFULL MASHUP)

Nothing moves there's not a sound  
Shadows hide they'll starve you out  
I've been left without a doubt  
I put my hand on my heart it'll never be whole again  
As the morning comes i'm on my own again  
Another sleepless night i wish something would change  
Just getting through the day try not to feel the pain  
I put my hand on my heart it'll never be whole again

Where you lead i will follow  
Coz there's nothing left for me  
Where you lead i will follow  
You got everything i need  
With every step you take you know i'll follow  
Coz every move was made for you  
And every place you go you know i'm waiting  
Coz all that i am left me for you
