

Kaixta (Meilys Messina & Eric Abate)

The Music

Kaixta, initially inspired by the German Techno-scene and well-known for his progressive sound, seducing the crowds with a harmonious combination of Deep, Funky, Tribal, from Progressive Electro Beats to Minimal-Tech House.

“A lot of music has had a huge influence on our productions: we like everything from De la soul to sonic youth, Bjork, from Derrick May to Christian Fischer, Mike Patton..., totally freaked out stuff, everything that makes sound and moves us. We will buy and play electro, house, minimal, whatever you wanna call it, we like everything.

Meilys Messina & Eric Abate are” Kaixta “a very ambitious one release records on labels as renowned as Deeperfect, Futureaudio, Proud Sound Production, Incense Records Spain just to name a few.

Resident @ Warm.FM (Liege) Decksharks, Egroove FM (Germany) Italian Network Channel, Usessions (Greece)....
